To Whom It May Concern:

It is my pleasure to recommend without reservation Eric Curtis. His performance working as a drama teacher at Simmons Middle School proves that he will be a valuable addition to any school.

I have known Eric for the past five years in my capacity of Special Education Team Facilitator. Eric has gone above and beyond when it comes to working with our special needs students. He takes the time to make any necessary accommodations within his curriculum. Eric also directs the drama students in their fall play and fine arts festival. With his leadership skills one can see that this pays off in the end with the final performance done by the students.

Eric has a great work ethic and is very personable. He would be an extremely positive asset to your school.

If I can be of any further assistance or provide you with any further information please do not hesitate to contact me.

Sincerely,

Rebecca Campbell
